Agenda Items

OLD BUSINESS:

Recap from 9/16 Bingo:

Had 48 guests in attendance, so we had little revenue. No concerns over way event was handled other than tweaking drinks a little and more advertising was needed. Megan will reach out to Community Bank to see about advertising on their electronic sign, check with Becca regarding getting refreshment and card sale tables ready on Wednesdays, and look for the list of Bingo to Do's. At end of meeting, we inventoried items for next month's event.

Trunk & Treat Update:

Still not aware of actual Trick or Treat Night in Fruitland as Muscatine had not posted their date yet. We will organize and advertise event when date is determined. **Since meeting, Shelley has confirmed that it is scheduled for Sunday, October 31st from 5:30 – 7:30pm. We will briefly discuss advertising of event at next Bingo.**

NEW BUSINESS:

Oct 21st Bingo Event:

Ashley to prepare and post event flyers . Kay will purchase food and brown burger for Walking Tacos. Otherwise, same event preparations and schedule.

New Holiday Event:

Discussed a few possibilities:

- Lighted parade of all types of vehicles and ending at community center with Santa, cookies and hot chocolate.
- Gathering food and unwrapped toys for families in need.
- Home/Yard decorating contest as a fundraiser.

Playground Budget – Park Budget:

\$2500 for playground – nothing other than swing harnesses came to mind
