Agenda items

Old Business

Fruitland Fun Day – Bingo profit was down from prior years, however, less prizes. Felt like we had a smaller crowd. Need to look at moving the tables maybe on the other side of tree for more shade and to space tables out more.

Other comments – Need to have a few porta potties and not just bathroom, Car show need to have signs on where to go when they pull in (since it was changed this year) More food trucks with more of a variety.

lighted parade – start at time posted, maybe have a few rules (slow down more, ones with bright LED lights go in front or not have them be on do to having a hard time seeing others in front). It was a big hit with a lot of people.

New Business

Bingo Sept. 16th- Maid-Rites main course, everyone to bring dessert, Megan will order all supplies and will cook hamburger this time. Doors open at 5pm and calling starts at 6pm. We are going to try once everyone has bought their packets to move those items and money into big room. An adult will get the money and a kid can be the runner. This way bingo players can see that an adult is actually dealing with the money.

Trunk or Treat- Discussed so new members knew what it entailed. This is something we are offering it's not a requirement for Park members to do if they would like to walk with their kids they can. Basically, an opportunity for others to participate that don't get many kids in their neighborhood. Will discuss once City Council determines date and time.

Citizens Opportunity – Hillman mentioned that Halloween is on the city council agenda for this month. Also gave some suggestions on Fruitland fun day and bingo.

Meeting adjourned at 6:58pm as motioned by Brenda with a second from Megan.
